EDUCATION

College of Charleston
2022 - Present

Sociology, B.S., 3.81 GPA

Explores social life, social change, and the social causes and consequences of human behavior. Studies the structures and factors that organize activities, as well as those that change, disorganize, deviate, or threaten to dissolve them.

College of Charleston
2022 - Present

Women's and Gender Studies, B.A., 3.81 GPA

Explores the intersections of race, ethnicity, class, gender, sexuality, age, religion, and ability. Studies complex structural issues, different contexts, controversies, cultures, and time periods to develop critical analyses.

Community College of
the Air Force - 2018

Mass Communications, A.S., highly distinguished

Explores the process of imparting and exchanging information through media to large population segments. Studies how content, communication, and information persuade and affect attitudes, behaviors, beliefs, and/or emotions.

WORK EXPERIENCE

U.S. Air Force
2013 - 2022

Senior Combat Broadcast Journalist

Broadcast journalists document imagery of aerial, ground, and un/classified missions to strategically communicate via social media, radio, and television.

Good Samaritan Society
2009 - 2013

Certified Nursing Assistant

CNAs assist patients with illnesses, injuries, and disabilities with hands-on care for their hygiene, nutrition, and medication - as well as healthcare staff support.
